

100 Crazy, Quirky, Random things about me

1. I don't like mustard
2. I sometimes wish my hair was brown (and sometimes I wish it was curly)
3. I have issues with being dependent on people
4. I don't have a perfect body, but I love it nevertheless
5. I really like how my eyes look with extravagant amounts of mascara and sometimes eyeliner
6. I dislike doing anything with my hair...if it requires more than 10 minutes of fussing, it is not happening
7. I dislike ruffles, frills or most overly decorative things. Don't talk about sequins
8. I love summer dresses
9. I feel slightly awkward in shorts still
10. I used to be a total tomboy, and it's still strange to accept the part of me that likes dresses
11. I love fashion stuff, but less in a 'I love this designer' than 'can I make this' way
12. I am obsessed with pens. And notebooks to write in
13. I am an 'accessories whore' according to numerous people
14. Blankets are the best (especially the ones I make)
15. I love tea—any kind of it, anywhere, preferably with honey
16. I hoard things that may or may not be important, then go through fits when I indiscriminately throw things away
17. I have no particular fashion style—I rock what I feel like rocking, be it jeans and a guy's t-shirt or a fancy dress and flats.
18. I love reading, especially fantasy books, especially YA
19. If you put any amount of cheesy cracker snackerel in front of me, it will ALL get gone
20. My favorite ice cream flavor is and will forever be chocolate
21. I crochet crazy things, including doll dresses
22. I dearly love bright colors...not necessarily on me, though

23. I do not get addicted easily at all
24. I am a compulsive writer who rarely plans, but is slowly learning to
25. I have a pillow pet
26. There is a birthmark in between my shoulder blades. . . it looks like a cross between Africa and Florida
27. I do not burn when exposed to sun
28. My favorite thing to do in summer is lie out on a blinding summer day and feel the UV rays make my skin a pretty brown
29. I treat business clothes like they are my very own suit of armor. . . ditto large amounts of makeup. They're shields against the world
30. I love perfume
31. I judge people based on how they smell
32. I am an excellent writer of total BS
33. My favorite coffee is whatever confection of milk, sugar, coffee and (if possible) chocolate you can make. Iced?
34. The one thing I am actually, truly addicted to is coffee—I HAVE to drink it every morning.
35. I am a crafter, whether it means working with yarn, thread, beads or anything else
36. I have excellent skin that I hardly ever do anything to
37. I am unorganized, although I remember where everything is
38. I love the taste of wine and liquor, especially liquor confections—but not beer unless it's 'girly beer'
39. Grapefruit and grapefruit juice is incredibly good
40. I don't really have a favorite color
41. I am a great believer in eating when bored
42. I am a superfast reader—which is a blessing when it comes to college, although my mom thinks it's the main reason why I'm so bad at reading in German
43. My taste in music is greatly varied, although there is a set taste I am willing to pay for
44. I love sleeping until my body literally wakes me up and says 'enough now'

45. I almost never take naps...and when I did, it's because something drastic is going on (the last time I did was when I had a concussion)
46. I love the feel of wet clay under my hands as I work on the wheel
47. I am somewhat competitive, but mostly only with myself
48. I really like driving, especially that weird trance state you sometimes get in
49. I am a beast at jigsaw puzzles
50. Any purse I own must be able to fit a decent-sized notebook
51. My favorite food is bread dumplings in mushroom sauce (Semmelknödel)
52. The ultimate comfort food will always be anything with cheese
53. I don't really get hyper unless something drastic happens
54. I insist on having a journal, writing notebook or book near me at all times
55. When I was little, I had a little stuffed rabbit that I took everywhere. EVERYWHERE
56. I know I will never be called beautiful, but am very happy to be told I am things like 'cute' and 'adorable'
57. My friends are stark raving mad, no matter what they say in their defense—and because of that, they're the best
58. If I lived in a world without books, I think the only recourse I would have would be to make it a world that has books in it
59. I commonly have 8-9 plots in my head, about 2 of which are constantly going through my head...I treat them like movies when I have nothing else to do
60. I have taught myself to be bold and speak out
61. I collect Fiesta ware
62. I love any and all Sherlock Holmes
63. I am an expert on Greek Mythology
64. When I was a very young child, the words to describe me would have been 'screaming demon-thing'...as a baby, I scared people by glaring at them
65. I almost never get angry
66. I am excellent at history

67. I have a very good memory
68. I dislike most things with mint... cinnamon, on the other hand, is excellent
69. I have issues with sweet stuff unless in rare occasions
70. I am somewhat liberal, although open to listen to anything
71. I have, for years, been the person people go to vent to among my friends and others
72. I have a secret appreciation for romance novels
73. I get grumpy when I am hungry and have a tendency to act like a really vicious snapping turtle
74. I like playing computer games like Minecraft or Civilization
75. I love food too much to go on a diet
76. I had to teach myself to like drinking water
77. I will reread books over and over again if I like them
78. I am *slightly* addicted to Burt's Bees lip balm
79. I can almost perfectly imitate my dad's signature... my mom's is another kettle of cursive
80. I have an obsession with dangly earrings
81. I like standing out from the crowd... not too much, though
82. I am technically a Catholic, although certainly a lapsed one
83. I despise dramatics of all kinds
84. I want to be an author and write for a living
85. I prefer having guy friends to girl friends for the most part
86. I can speak German decently, as well as a few words of Spanish and a smattering of Chinese, and can get by in several other languages
87. I love dancing of all kinds, have danced everything from the waltz to Bollywood to belly dancing
88. I have a whole set of really wonderful friends, who would probably try to murder each other if they ever ended up in the same room together (to say some of them have differing personalities is a mild understatement). Either that or they'd collectively try to take over the world
89. I have a wonderful, sweet and highly crazy family that supports me in whatever I want to do

90. I go through stages of highly concentrated activity and then stages of utter sluggishness
91. According to friends who should know, I am a pop-culture ignoramus
92. Neither me nor my two brothers look much alike (o.O)
93. I have written a full and complete book, at least one (at this point, probably like 3)
94. Every winter I have hung up decorative crocheted snowflakes around my room, it has snowed in excessive amounts
95. I prefer showers to baths
96. I can't leave the house without sunglasses, even if its in the dead of winter and snowing
97. I have to struggle to get myself to read what would be called 'literature', although my Humanities classes have helped
98. I have the longest hair in my family
99. I was in love once, and I hope to be in love again
100. Even though I may sometimes fall, I have always managed to pick myself back up
